Acknowledgement of Course Expectations

CSCE 430-(200, 500)
Spring 2020

By signing this, you are acknowledging the following:

1) You are aware of the policy on Academic Honesty.
   a. The information was presented on the first day of class, and is available for you to review on the course webpage and on the class piazza discussion page.
   b. If you have any uncertainty, you have asked (or will ask) for clarification from the instructor, but will assume particular collaboration or use of external resources is not allowed.
   c. **You understand that by submitting to the class’s Kattis system, you are implicitly stating that you are submitting under the Aggie Honor Code.**

2) You are aware of the usage of Kattis for grading in the course.
   a. You understand that you will need to set up an account on Kattis and use this for all submissions in the course.
   b. You understand that the automated judgment process in Kattis will be used for judging correctness or not of each submission.
   c. You understand that you are to treat your Kattis login information securely, as you would your NetID. For example, you should not share your login information with others or allow others to use your account.
   d. Though you may choose to keep your identifier hidden from classmates, you understand that overall information regarding submissions and problems solved will be available to the entire class.
   e. You are aware that at some point, we may transition to a CAS login for Kattis. **If this is done, there may be a $35 fee per person that will need to be paid to Kattis.** If this occurs, you are committing to paying the $35 fee promptly.
